

CAMO®

THE BETTER WAY TO BUILD A DECK.

PRODUCTS BACKED BY A CAMO® WARRANTY. Install deck boards according to manufacturer's instruction, and if our Clips or Edge deck screws damage the board or cause the board to fail, we'll replace the boards. You can confidently use our clips and screws with Fiberon®, Trex®, TimberTech®, AZEK®, Deckorators®, and more.

Tools will be free from defects in material and quality for the first year from the date of purchase.

Subject to limitations, read full product warranties at camofasteners.com.

CAMO® DRIVE™

EDGE | CLIP | FACE

**INSTALL
DECKING
UP TO
5X
FASTER**

Whether you're a professional builder, remodeler, or a DIYer, CAMO has the right product for your exterior project.

Build your deck up to 5x faster—any deck board, substructure, design, or desired finish. CAMO products are easy to use and easy to learn—so you can get the job done and move on.

CAMO® HELPS YOU BUILD BETTER.

SQUARE DECKING SOLUTIONS

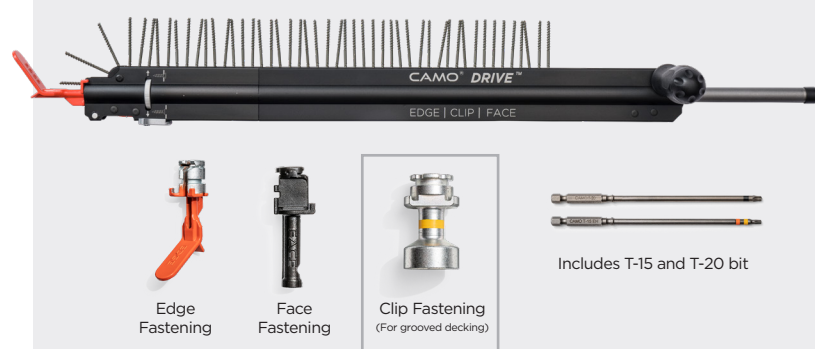

MARKSMAN PRO® SYSTEM

MARKSMAN tools clamp to and space your boards and direct CAMO Edge Screws into the side of the board, leaving a fastener-free surface.

DRIVE SYSTEM

The versatile tool allows you to stand up to install CAMO Collated Edge Screws for a hidden finish and CAMO Collated Face Screws for a traditional look. DRIVE can also be used for grooved installs to fasten CAMO Universal Deck Clips.

GROOVED DECKING SOLUTIONS

CLIPDRIVE™

Speed up your grooved decking install by fastening CAMO Universal Deck Clips with the CAMO ClipDRIVE. The ergonomic tool has a weighted nose making it easy to target screw heads so you can install your deck in no time.

Includes T-15 bit

ANY PROJECT

TOOLS

FASTENERS

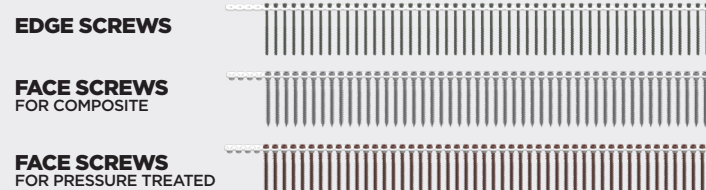

EDGE DECK SCREWS

Screws feature a rake tip that augers material out of the board, and a trimhead that creates a discreet point of entry.

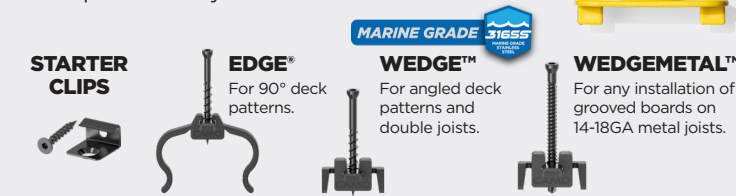

COLLATED DECK SCREWS

For exclusive use with the DRIVE stand-up tool.

CAMO UNIVERSAL DECK CLIPS

Make installing grooved decking on wood or metal joists easy for everyone. Use the included* NEVER-MISS® Guide for a quick install by hand.

*Included in 450 ct and 900 ct pails

ANY
DECK

LEVER

Board bending and locking tool straightens warped boards and locks them in place in a single turn, freeing you up to fasten.

JOIST+LEDGER DECK TAPE

Protect and extend the life of your deck with CAMO Joist + Ledger Deck Tape.

BLOCK

Build better from the ground up with BLOCK — the easier, faster, and better way to build above ground decks, platforms and projects.*

*Floating decks under 30" and smaller than 200 sq. ft. typically do not require building permits, but always check with your local building code official before starting any building projects.
