

**Best New Home  
Automation  
Hardware Solution**

**The Linxura Smart Controller** is a small, portable remote that lets you control your smart home devices without the need for setting up additional hubs or multiple apps to use each of them.

**Long-Lasting Performance**

Linxura works up to 3 months on a single charge, ensuring long-lasting performance.

**Intelligent Backlit Design**

Linxura's intelligent design activates backlighting when your hand is close in the dark, enhancing usability.

**E-paper Display Efficiency**

With an e-paper display, Linxura optimizes battery usage, saving energy for your convenience.

**Never Lose Your Controller**

Stay worry-free with Linxura's "Find My Controller" alert, ensuring you can always locate your device.

Linxura communicates directly with devices, and can also work through Amazon Alexa, Google Home and IFTTT, with the Matter smart home connectivity standard and other platforms to be supported in upcoming firmware updates.

**SONOS**

**Supports  
Wi-Fi**

**No hub  
required**

At the center of Linxura is an e-paper screen showing four devices at a time to control, with a click wheel around the screen to select other pages for devices and control them. Functions can be customized to work the way you prefer. For example, you can click once to turn a device on, twice to turn it off, and click and hold to enable the wheel to be able to adjust different smart device functions such as brightness, temperature, volume, channel, etc.

**Smart homes can quickly become complicated as more devices are added. Linxura simplifies the setup and usage of your smart home devices with an easy-to-use controller that works anywhere in your home.**

The Linxura app lets you easily custom configure your controller.

1.54" e-paper screen that can display up to 4 devices at a time.

Simple and intuitive wheel that can be clicked and rotated either clockwise or counterclockwise to operate your smart home devices.

Seamlessly integrate with up to 52 smart home devices.

"Find My Controller" feature helps you to locate your Linxura.

E-paper backlight automatically turns on when hand is near the remote at night.

Up to 3-months battery life on a single charge.

Optional wall mount.
