SIEMENS

Let's build the future together

The Siemens Builder Reward Program creates a partnership between Siemens and our Builder Partners.

The Roof: The Siemens Builder Team

Support starts with our nationwide team, committed to creating a win-win-win relationship with Builders, Electrical Contractors, and Authorized Distribution Partners by being product experts, code resources, and problem solvers.

The Walls: Distribution Partners

There are over 2,000 Siemens Authorized Distribution Partners across the country that work closely with hundreds of Electrical Contractors in every market.

The Foundation: Products

Siemens offers a full portfolio for single family homes with products designed to be installed faster, with more exclusive features, and are part of a brand people TRUST.

Innovative Technology

Plug On Neutral Load Centers
Simpler, cleaner, and faster finished product

Tandem AFCI Breakers
Saves space in the load center and time in installation
