ABOUT US

SENCOFORR PARQUET, INVITE YOU TO FEEL THE BREATH OF THE VIRGIN FOREST

Sencoforr parquet originates from the Italian design brand. Its products have been developed and designed by the top Italian designers for 15 years. Together with well-known interior designers in domestic and abroad, it has created spaces of different styles for customers. It has won many international awards, such as Global Design.

We pursue the originality of wood flooring and respect the original intention of customers. The honest, natural and environment-friendly character of log flooring is the reason why our products are prosperous. Sencoforr parquet has won the praise and trust of many consumers by passing the international authoritative testing year after year, obtaining CE, CARB, F4 and other certificates.
