

What Our Customers are Saying

“ The Builder Orders functionality in Bolt is awesome. Having access to all builder purchase orders on one page is such a time savings for my team. This is going to be a game changer for us.”

Lauren Son
Purchasing Manager, *Corey Construction*

“ Bolt allows me to know that jobs are getting done to my quality standards. It lets me manage and control projects to make sure my customers are 100% happy. I love it so much, I even tell my competitors, ‘If you’re in construction, you’ve got to use Bolt.’”

Christian Viveiros
Founder, *CMAC Roofing*

“ We’ve grown from the time we started using Bolt by 75%. Yet, I haven’t had to increase my staff by 75%. Each person on my team can handle more of a workload because they can do it more efficiently using the Bolt application.”

Brian Hartley
Division Manager, *IES Residential*

“ We appreciate the ability to set the precedent that L&M maintains verifiable proof of work done, including accurate documentation, photos, and even videos. And that precedent of accountability has meant tens of thousands of dollars in profit for our company.”

Kevin Lee
CEO, *L & M Electric*

“ The ability for our team members to be able to choose to use Bolt in Spanish or English on their cellphones has dramatically improved communications. No more confusion or numerous phone calls to ask questions.”

Tammie Robertson
Purchasing Manager, *Corey Construction*

“ Bolt has helped us grow because we can easily keep track of everything in once place and pull anything, at anytime, anywhere. That’s priceless!”

Scott Miller
Branch Manager, *Jenkins Plumbing*
