

# What Our Customers Are Saying:

“ Insearch has brought a level of sophistication to our entire Design Studio experience, improved our customer experience, and boosted our option sales.”

**Melinda Brown**  
Design Manager, *Jenuane Communities*

“ Switching to Insearch for our online design center resulted in significant time savings for our team. Insearch makes pricing information readily available to buyers so that constant back and forth communication between sales and purchasing was no longer required.”

**Steven Mooney**  
Director of Purchasing & Estimating, *Bill Beazley Homes Inc.*

“ We have had a great time working with Insearch. Their entire team of professionals is focused on the tasks at hand, the overall process has been very smooth.”

**Joshua Hulsey**  
Sales Manager, *Perfection Builders*

“ Insearch has significantly improved our customer experience. Online design studios are becoming necessary for builders who want to stay competitive. We've significantly reduced appointment times while increasing buyers' confidence and comfort in their design decisions.”

**Kyle Lintala**  
Analyst, *JTB Homes*

“ Insearch has been a great tool for us, saving us one to two hours with clients...it was a game changer for our business.”

**Jaye Watts**  
Real Estate Sales Agent, *Signature Homes*

“ For someone who is looking at Insearch, my advice is just get started. Interactive online sales and design centers are the way of the future. If you don't have it on your site, you're already obsolete.”

**Luke Pickerill**  
Owner/Operator, *MonteVista Homes*
