# Smooth Beams

Style, Performance, Service. That's the Fypon® advantage.

## Charming versatility.

Add architectural charm and a clean, classic aesthetic to any home with Fypon smooth beams. Our smooth beams can be used to create a striking focal point and can be painted any color to complement a home's décor.

## Features and Benefits

- Made from durable polyurethane, smooth beams will retain their beauty for years to come.
- U-shaped and hollow on the interior, making it easy to add lighting to the inside of the beam for added decorative appeal.
- Lightweight; quick and easy to install.
- Offered in a variety of widths and lengths, eliminating seams.
- Come primed and ready to paint any color.
- Installed using mounting blocks on the ceiling and do not require additional structural support.
- Backed by a lifetime limited warranty.

Note: See your Fypon seller or visit [www.fypon.com](http://www.fypon.com) for details on limited warranties and exclusions.
