PRESS RELEASE FOR IMMEDIATE DISTRIBUTION

Introducing the Luna Fire Bowl

Solus Decor at the IBS Show, Booth SU1828

Solus Decor, the renowned leader in contemporary fire and water features, tiles and surrounds, is proud to announce the launch of their latest innovation, the **Luna Fire Bowl, on display in the New Products area**. Crafted with meticulous attention to detail and designed to redefine outdoor ambiance, the Luna Fire Bowl represents the pinnacle of style, quality, and functionality.

As outdoor living spaces continue to gain popularity, the demand for high-quality fire features that perfectly integrate with modern aesthetics has never been greater. Solus has consistently met this demand by combining innovative design with superior craftsmanship, and the Luna Fire Bowl is no exception.

Featuring a sleek, minimalist silhouette and a mesmerizing flame, the Luna Fire Bowl instantly becomes the focal point of any outdoor setting. Its durable construction ensures year-round enjoyment, while its clean lines and timeless design make it a versatile addition to any patio, garden, or backyard oasis.

"The Luna Fire Bowl embodies Solus Decor's commitment to creating outdoor environments that inspire and delight," said Brad Carpenter, CEO at Solus Decor. "We understand the importance of seamlessly blending form and function, and the Luna Fire Bowl exemplifies this philosophy. Whether you're hosting a gathering with friends or seeking a quiet moment of reflection, the Luna Fire Bowl transforms outdoor spaces into inviting sanctuaries."

In addition to the Luna Fire Bowl, Solus Decor offers an extensive range of fire pits, fireplace surrounds, tiles, panels and water features designed to enhance indoor and outdoor living experiences. From the warmth and ambiance of a fire to the tranquillity of flowing water, Solus Decor's products elevate living spaces with elegance and sophistication.

"Our exclusive collection of cast concrete features provide endless possibilities for creating personalized retreats, whether inside or outside" added Brad. "Whether you prefer the soothing sound of water cascading over smooth surfaces, the cozy glow of a fire on a cool evening, or creating an eye-catching feature with contemporary tiles or a surround, Solus Decor offers solutions that harmonize with nature and outdoor living or stand-out interior design."

All products are available to purchase on the Solus booth at the show, on line at www.solusdecor.com, or through the Solus office in Vancouver, Canada and shipped worldwide.

About Solus Decor: Since 1997, Solus Decor has been a leading designer and manufacturer of contemporary outdoor products, specializing in fire pits, water features, fireplace surrounds and tiles, from our head office in Vancouver, Canada. Being manufactured in Canada, our products are built to withstand the extreme temperatures that the Canadian climate can produce. Our firepits, firetables and water features are approved by CSA, ANSI and CE certifications. We build the components for our firepits also which allows us to control every finishing detail. With a focus on quality craftsmanship, innovative design, and exceptional customer service, Solus Decor creates products that enrich outdoor living spaces and inspire connection with nature.

Made in Canada. Shipped Worldwide,

Solus Decor Inc. (Canada), services the USA, Canada, and the Caribbean. Solus Decor UK Ltd. (based in London, UK) services Great Britain, while Solus Fuego & Agua (based in Spain) services Europe and the Middle East.
