

ADM Flooring®, a leading floor supplier in Los Angeles, announced today that the company will participate in the upcoming Builder Shows and Flooring Industry events from February 27-29, 2024, at Las Vegas Convention Center, Las Vegas.

ADM Flooring® offers a variety of engineered wood flooring, waterproof flooring, stair & trim parts, adhesives, underlayments, and flooring accessories, with various sizes, colors, and styles, broadening the customer's choices and variety to both residential and commercial customers, builders, designers, and homeowners.

Message from the owner: "Our top priority is providing exceptional product quality and services at very competitive pricing ensuring complete satisfaction for our clients. Our services are expanding throughout the United States and Canada, and we are determined to deliver top-notch products and services. We highly value your feedback and comments and are dedicated to incorporating them into our work to continually improve. We can't wait to see you at our booth (W3607) during next year's show."

To schedule a private meeting at the show, please call our show coordinator, Daniel at (323) 480-4919 or email: daniel@admflooring.com . For general Inquiry: Please email: marketing@admflooring.com
